

Attention New Shooters: The Nebraska Territorial Rangers require anyone who has no prior experience shooting at Cowboy Action shooting events to attend a New Shooters Clinic before competing in our events. There is no charge for this clinic. Please contact our Match/Events Director, Calhoun Slim, for details and dates of future clinics. He can be reached at 402-572-1599 or ntranger@radiks.net.

We came to this decision for several reasons.

- The principal reason these clinics are required is for **SAFETY**. For your safety and the safety of all people attending our events.
- These New Shooter Clinics have the potential to save you money. Many new shooters buy clothing, accoutrements, leather, and guns only to find out they are not allowed for NTR events.
- New shooters will feel much more comfortable and enjoy their experience more if they know what to expect and what is expected of them while participating in a Cowboy Action shoot.

After attending a New Shooters Clinic, you will be allowed time to obtain correct NTR clothing/accoutrement requirements. We do not expect first time shooters to have all the correct clothing, etc. We only ask that you continually improve.
